SAMPLE QUESTIONS: C_FSUTIL_60

SAP Certified Associate - Utilities with SAP ERP 6.0

Disclaimer: These sample questions are for self-evaluation purposes only and do not appear on the actual certification exams. Answering the sample questions correctly is no guarantee that you will pass the certification exam. The certification exam covers a much broader spectrum of topics, so do make sure you have familiarized yourself with all topics listed in the exam competency areas before taking the certification exam.

Questions

1. For a metered contract, a meter reading is posted with a date of November 15. When you attempt to create an individual bill for this contract on November 16 you receive a billing error.
